

Is Yeast a Decomposer?

Prediction

Will fruit decompose faster with yeast or without yeast?

My Experiment

For each pair of bags, which variables will you keep the same?

For each pair of bags, which variable will you change?

In the chart below, list the kinds of fruit you are testing.

Kind of fruit	Bag with yeast	Bag with no yeast

Results

After two weeks, observe the bags. Record what happened in each bag.

Did the fruit decompose faster with yeast or without yeast?
