

Section 3 Assessment

1 Vocabulary

Antenna

2 Where Will the Sow Bug Go?

3 Testing Wet or Dry

Directions: 1. Read the word *antenna* aloud to students, and have them draw a line from the word to that body part in the picture. 2. Have students draw a line from the pill bug to the place on the log where the bug would go. 3. Have each student show you how to use the given materials to test whether pill bugs like wet or dry places.
