

# Stay Egg-stra Still

| <b>BEFORE THE EXPERIMENT:<br/>Where is it?</b> | <b>Draw the objects before the experiment.</b> |
|--|--|
| The egg is<br>_____ .                          |  |
| The jar is<br>_____ .                          |  |
| The pie tin is<br>_____<br>_____ .             |  |
| The cardboard tube is<br>_____ .               |  |

In the drawing above, circle any object that you think will **not** move sideways when the broom handle hits the pie tin.

| <b>AFTER THE EXPERIMENT:<br/>Where is it?</b> | <b>Draw the objects after the experiment.</b> |
|---|---|
| The egg is<br>_____ .                         |   |
| The pie tin is<br>_____<br>_____ .            |   |
| The cardboard tube is<br>_____ .              |   |
