

Weighing Objects

Predict: Circle the weight you think each object has.

Weigh: Weigh each object and write down its weight in grams.

Add more objects to the table. Guess their weight and then weigh them.

Object	What do you think its weight is?			What is its weight?
5 Pencils	5 g	25 g	50 g	
Box of crayons	25 g	75 g	200 g	
Scissors	50 g	100 g	250 g	
Your shoe	100 g	300 g	500 g
