

Section 2 Assessment

Vocabulary

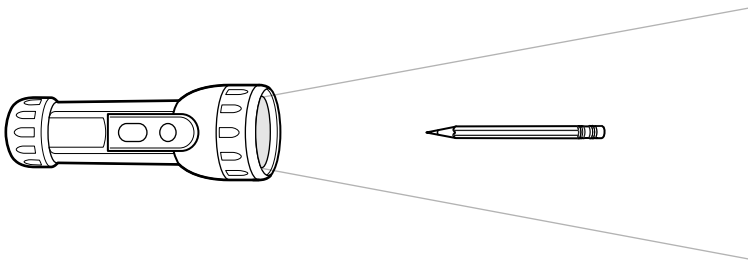

- 1 What kind of objects let *some* light travel through them? _____

Making Shadows

- 2 Draw the shadow you would see if the light shined on the pencil this way.

- 3 Draw the shadow you would see if the light shined on the pencil this way.

Transparent, Translucent, or Opaque?

- 4 Sort the objects at your station into three piles: transparent, translucent, and opaque. List each object in the chart below to show how you sorted it.

	Transparent	Translucent	Opaque
