

Mirrors Reflect

STUDENT RESOURCE 4.2

ACTIVITY SHEET

- 1 Set the edge of your mirror down on all four sides of the word below—to the left, to the right, above, and below. Tilt the mirror down toward the paper. When can you see the image so that it appears correct? Draw a line at the place where you put your mirror.

MIRROR

- 2 Look at your mirror and try to write the letter P backward so that it appears correct in the mirror.
- 3 Print the word CAT backwards while looking into a mirror so that the mirror image is correct.
- 4 In the space below, try to print your name in reverse, looking into the mirror so that it is correct in the mirror.
