

# Looking Through Filters

	<b>Makes the color blue look:</b>	<b>Makes the color red look:</b>	<b>Makes the color green look:</b>
The Red Filter...			
The Blue Filter...			

The colored filters let only some of the colors of light through.

**1** Does the blue filter let red light come through to your eyes?

\_\_\_\_\_

**2** Does the red filter let blue light come through to your eyes?

\_\_\_\_\_

**3** What color looks black when you look through the blue filter?

\_\_\_\_\_

**4** What color looks black when you look through the red filter?

\_\_\_\_\_
