

Parts of an Atom

Label a proton and a neutron on the model above.

- 1 How many protons does this atom have? _____
- 2 How many neutrons does this atom have? _____
- 3 What is this atom's atomic number? _____
- 4 Which element on the Periodic Table does this model show? _____

Label an electron on the model above.

- 5 How many electrons does this atom have? _____
- 6 How many electrons are in the first level? _____
- 7 How many electrons are in the second level? _____
