

# Section 7 Assessment, Page 1

## Vocabulary

1 How is an atom related to an element?

---

---

---

2 What does the Periodic Table show?

---

---

---

## The Periodic Table

3 Label the parts of the element box below.

8	_____
O	_____
Oxygen	_____

# Section 7 Assessment, Page 2

## Atomic Model

- 4 Look at the element card at your station. Use the beads to make a model of an atom of that element on the picture below. Fill in the key to show what color beads you used to show each kind of particle. When you are done, use a colored pencil to show where you placed each bead. Then return the beads to the bag.

**Key:**

Protons: \_\_\_\_\_

Neutrons: \_\_\_\_\_

Electrons: \_\_\_\_\_
