

# Surface Tension

## The Shape of Water Drops

- 1 Look at each drop on the waxed paper from the side. Make a drawing of two different drops.

\_\_\_\_\_

1 drop of water

10 drops of water

- 2 How are the drops different?

\_\_\_\_\_  
\_\_\_\_\_

## Soap and Surface Tension

- 3 What happened when the soap touched the water drop?

\_\_\_\_\_  
\_\_\_\_\_

- 4 What does soap do to surface tension?

\_\_\_\_\_
