

Section 4 Assessment

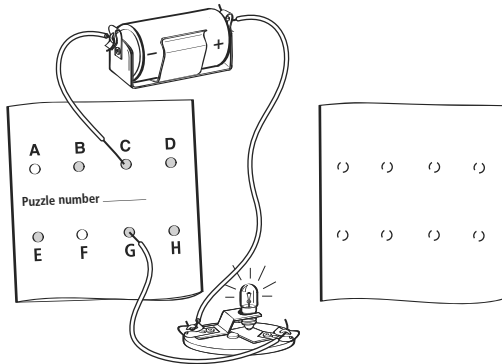

Vocabulary

- 1 What is a circuit?

Where's the Foil?

- 2 Look at the circuit puzzle below. Draw what you might see if you opened up the puzzle cover.

Circuit Puzzle

- 3 Use the materials at the station to build a circuit you can use to identify the closed circuits in the circuit puzzle. Record the number of your puzzle below. Then draw lines between the dots that are connected with foil inside the puzzle.

A	B	C	D
○	○	○	○
Puzzle number _____			
○	○	○	○
E	F	G	H
