

# Section 2 **Assessment**, Page 1

## 1 Float or Sink?

Float

Sink

## 2 Where Will the Egg Float?

Plain water

Salt water

**Directions:** 1. Have students draw a line between the correct word and object. 2. Have students circle the jar that a hard-boiled egg would float in.

# Section 2 **Assessment**, Page 2

## 3 Will the Candle Sink or Float?

I think the candle will

**Sink**

**Float**

**Directions: 3.** Have students predict whether the candle will sink or float and circle their prediction. Then have them test the candle and draw where it ended up in the cup.
