

UNIT 6 Hunters and Gatherers

Find Out Go to the library and find books that describe Florida's ancient people and climate.

1. What kinds of foods did Florida's early hunters and gatherers eat?

2. What kinds of shelters did hunters and gatherers build?

3. How did you learn the answers to the questions? Explain the steps you took to find your sources.

4. **Critical Thinking: Evaluate** In what ways do you think life was difficult for hunters and gatherers?
