

UNIT 6 Early Farmers

Find Out Find sites about Florida's early people on the Internet. Search for Paleo-Indians.

1. Where in Florida did the early farmers live?

2. What kinds of crops did early farmers in Florida grow?

3. Was the Internet a good source for information? Did you use other sources to learn more about early farmers?

4. **Critical Thinking: Analyze** How did the change from hunting and gathering to farming affect the lives of Paleo-Indians?
