

UNIT 3 Transportation Speeds Up

Find Out Contact the Chamber of Commerce. Ask questions about the different types of transportation in your community.

1. What kinds of transportation are available in your community?

2. When were the transportation systems in your community created?

3. Was the Chamber of Commerce a good source for information? Did you use other sources to learn more about your community's transportation?

4. **Critical Thinking: Analyze** In what ways have transportation systems changed your community?
