

UNIT 3 Business and Communication Grow

Find Out Go to the library and find old newspapers. Study the ads for businesses and stores.

1. How have the kinds of businesses in your community changed in the past 100 years?

2. What kinds of communication tools were used in your community that are not used anymore?

3. Draw a picture that shows how the main street of your town or city might have looked 100 years ago.
