

UNIT 5 Industry

Find Out Visit or call the Chamber of Commerce. Ask the people who work there questions about the industries in your community.

1. What kinds of industry are in your community?

2. Where do local industries sell their goods and services?

3. Describe how you researched the industries of your community.

4. **Critical Thinking: Evaluate** Which industry in your community is the most successful? In what ways has it affected your community?
