

UNIT 2 Legislative Branch

Find Out Visit with your local representative, and ask about the types of jobs he or she does.

1. Describe the way the legislative branch of your state government is organized.

2. Present an issue currently being discussed by your state's legislature.

3. In addition to speaking with your local representative, what other sources did you use to find information?

4. **Critical Thinking: Evaluate** What issue or problem would you like your state legislature to discuss, and why?
