

UNIT 3 Traditions

Find Out Go to your state’s museum or visit its website to learn more about the different groups of people living in your state.

1. What are some of the cultural traditions celebrated by people in your state?

2. Identify and describe a tradition from a culture other than your own.

3. Identify a local organization that would be a helpful source of information for a culture other than your own, and tell why the group would be helpful.

4. **Critical Thinking: Analyze** In what way has the tradition of a cultural group contributed to the culture of your state?
