

UNIT 6 Imports

Find Out Ask a librarian for help in finding information about other countries' consulates and international businesses in your area.

1. What kind of goods and services does your state import from other states and countries?

2. Explain the types of goods your state imports from other countries each year.

3. What imported goods have you seen in your home or school?

4. **Critical Thinking: Analyze** What kind of goods does your state import to use in its manufacturing industry?
