

# Family Newsletter for Unit 2

## A Big Wide World

### Learn About It

In this unit, your child will learn:

- about different kinds of land and water
- how seasons bring change
- why people work and earn money

Here are some ways that you can help your child learn:

### Talk About It

Lesson 4: Seasons Bring Change

**Seasonal Changes** What are some of the seasonal changes in your part of the country? Do birds arrive or flowers bloom at certain times of the year? Talk with your child about some of the ways that the changing seasons affect your lives.

Lesson 5: Community Homes

**Homes in Your Community** Do you live outside a city or in a city? What kinds of homes are part of your community? Talk with your child about the kinds of homes found in your community.

Lesson 7: People at Work

**Family Jobs** Talk with your child about members of your family and the kinds of jobs they do or have done to earn money.

### Make It

**A World of Work Collage** People do all kinds of jobs to earn money. Together with your child, make a collage showing many different kinds of work. Have your child draw or cut out pictures from old magazines of people at work. Then help your child paste the pictures on a sheet of paper.
