

Family Newsletter for Unit 1

People Everywhere

The Big Idea

What do you learn from your families and from school?

-  **Goal 1** The learner will investigate how individuals, families, and groups are similar and different.
-  **Goal 4** The learner will explain celebrated holidays and special days in communities.

Learn About It

In this unit, your child will learn:

- how people and families are alike and different
- about customs, celebrations, and traditions in the community
- how people communicate

Here is one way you can help your child learn:

Family Activity

A “Look What I’m Learning” Poster Children learn new things all the time from their families and at school. Together with your child, make a list of new things your child has learned, such as riding a bike or learning the alphabet. Then help your child create and illustrate a poster showing these things.
