

# Family Newsletter for Unit 4

## A Big Wide World

### The Big Idea

#### What do we know about the world?

 **Goal 5** The learner will express basic geographic concepts in real life situations.

### Learn About It

In this unit, your child will learn:

- about different kinds of land and water
- about neighborhoods
- about using natural resources
- how the weather and seasons change

Here is one way you can help your child learn:

### Family Activity

**Land and Water Booklet** Discuss the different kinds of land and water in our world. Work together with your child to create a booklet illustrating landforms and bodies of water near your home. Help your child create a label for each picture.

**Technology** Check out [www.eduplace.com/ssf/](http://www.eduplace.com/ssf/) for more information.
