A factory is a place where workers use machines to make goods.

(Unit 2, Lesson 3)

A consumer is someone who buys or uses goods and services.

(Unit 2, Lesson 3)

A producer is someone who makes goods or provides services.

(Unit 2, Lesson 3)

When people share news and ideas, it is called communication.

(Unit 2, Lesson 4)

An ad shows or tells about goods or services so people will buy them.

(Unit 2, Lesson 4)

Cost is how much money you need to buy something.

(Unit 2, Lesson 4)
