SB 1802

FUNDING FOR SUPPLEMENTARY MATERIALS FOR ENGLISH LEARNERS

The **2006-07 Budget Act** is allocating up to \$25 per student on a one-time basis for districts to purchase supplementary instructional materials for English learners in kindergarten through twelfth grade.

Houghton Mifflin Company is pleased to offer the following products for districts to utilize SB 1802 funds:

- Houghton Mifflin Language Support Leveled Readers
- Houghton Mifflin Leveled Readers
- *EARLY SUCCESS*™
- *Soar to Success*

These products are included on the List of Certified Supplemental materials for English learners posted at <http://www.cde.ca.gov/ci/cr/cf/englearnrs.asp> and are designed to accelerate English learners towards grade level proficiency.

The List of Certified Supplemental materials for English learners was created as part of the provisional language of SB 1113. The list contains the name of publishers, title of programs, ISBN number, and grade level for each program, as well as, the domains and proficiency levels.

In order to receive these funds, districts must submit an Intent to Purchase form, specifying the title, ISBN number, grade levels, type, and publisher of the materials they intend to purchase, as well as the number of pupils for which materials may be purchased.

This form must be submitted by April 5, 2007.

Award letters will be mailed to districts in October and November, 2007.

The deadline for districts to encumber AB 1802 funding is June 30, 2009.
