# Plane Shapes

A large dashed-line box contains various plane shapes for cutting practice. A scissors icon is on the left side. The shapes are arranged in a grid:

- Row 1: A regular hexagon, a vertical rectangle, and a circle.
- Row 2: A long, thin triangle pointing right, and a trapezoid.
- Row 3: A square, a right-angled triangle, a smaller square, and a smaller circle.
- Row 4: A vertical rectangle, a vertical hexagon, and a trapezoid.
