

Name _____

Writing Rules 1-5

The image contains five vertical writing lines, each with a dashed midline. The first line shows a horizontal dashed line starting from a black dot on the left with an arrow pointing right. The second line shows a dashed letter 'z' starting from a black dot on the left with arrows indicating the stroke direction: a curve down and right, a diagonal down, and a vertical down. The third line shows a dashed letter 'a' starting from a black dot on the left with arrows indicating the stroke direction: a curve down and right, and a vertical down. The fourth line shows a dashed letter 't' starting from a black dot on the left with arrows indicating the stroke direction: a horizontal right, a vertical up, and a horizontal right. The fifth line shows a dashed letter 'l' starting from a black dot on the left with arrows indicating the stroke direction: a vertical up, a horizontal right, and a curve down and right.
