

Things I Do Each Day

(Tune: "Auld Lang Syne")

When I wake up, I brush my teeth
And I put my clothes on, too.
I eat my breakfast, drink my juice.
These are morning things I do.

When lunch is done, I ride my bike
And I play with my friends, too.
I sing and paint and rollerskate.
These are afternoon things I do.

When it gets dark, I take a bath
And I read a good book, too.
I say goodnight to family.
These are evening things I do.
