

# Washington State Resources

Washington Studies Student Book  
and Teacher's Edition

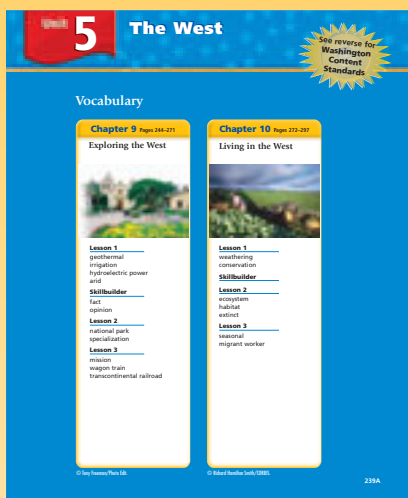

Bringing the world to your classroom!

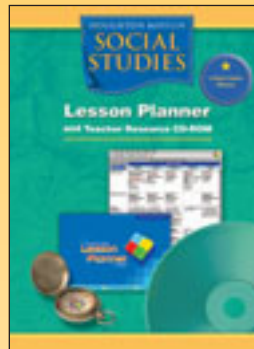

HOUGHTON MIFFLIN

## Washington Classroom Resources

- ★ Accessible Core/Extend content meets Washington standards and saves you time.
- ★ Powerful built-in reading and vocabulary instruction helps you teach content-area reading.
- ★ Comprehensive, easy-to-use resources meet the needs of all learners.

K–6 Teacher’s Edition Tabs include Washington correlations by unit.

Easy-to-use K–6 lesson plans are aligned with downloadable Washington standards.

Log on to Education Place® for free online resources for students, teachers, and families at [www.eduplace.com/state/wa](http://www.eduplace.com/state/wa).
