Tens and Ones

Making groups of ten can help you count.

Regroup 22 ones as 2 tens and 2 ones.

22 ones

2 ten 2 ones

Use small items such as coins or macaroni. Regroup. Write the tens and the ones. Then write the number.

1. 14 ones

   ____ ten ____ ones

   14

2. 23 ones

   ____ tens ____ ones

3. 31 ones

   ____ tens ____ one

4. Draw 25 marbles in the jar. Circle the groups of ten. How many groups of ten are there? How many ones are there? 

   ____ tens ____ ones
