Creating Shapes

Follow the instructions for each shape. You will either draw diagonals or connect midpoints.

Explain what you did to make the new shapes.

1. Make 2 triangles. Explain:

2. Make 2 parallelograms. Explain:

3. Make 4 rectangles. Explain:

4. Make 4 triangles. Explain:
Creating Shapes

Follow the instructions for each shape. You will either draw diagonals or connect midpoints.

Explain what you did to make the new shapes.

1. Make 2 triangles.

   Explain:
   
   I drew 1 diagonal.
   
   Line drawn is possible answer.

2. Make 2 parallelograms.

   Explain:
   
   I connected 2 midpoints.
   
   Line drawn is possible answer.

3. Make 4 rectangles.

   Explain:
   
   I connected 2 midpoints on opposite sides, then connected the other 2 midpoints on opposite sides.

4. Make 4 triangles.

   Explain:
   
   I drew 2 diagonals.
