Dear Family,

My class is starting Unit 1. I will be learning about numbers through 20, adding and subtracting, and data and graphing. These pages show what I will learn and have activities for us to do together.

From, ______________________

Vocabulary

These are some words I will use in this unit.

<table>
<thead>
<tr>
<th>addend</th>
<th>Each of the numbers added in an addition problem</th>
</tr>
</thead>
<tbody>
<tr>
<td>2 + 3 = 5</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>tally</th>
<th>A mark used to record a number</th>
</tr>
</thead>
<tbody>
<tr>
<td>HHH II</td>
<td></td>
</tr>
</tbody>
</table>

Some other words I may use are before, after, between, sum, and difference.

Vocabulary Activity

Let’s work together to complete these sentences.

1. A _________________ is a way to show information.

2. In 4 + 2 = 6, 4 is an _________________.

Unit 1
How To add and subtract

These addition and subtraction problems are examples of what I will be learning.

Add.

\[ 1 + 1 = \_2\_ \]

\[ 3 + 1 = \_4\_ \]

Subtract.

\[ 2 - 1 = \_1\_ \]

\[ 4 - 2 = \_2\_ \]

Literature

These books link to the math in this unit. We can look for them at the library.

Just Enough Carrots
