Activity: Compare and Order Length

Read. Then solve.

Mack and Mike both have new pencils.
Mike’s pencil is longer. Circle Mike’s pencil.

1. Three children each have a paintbrush.
Sam’s paintbrush is short. Sara’s is shorter.
Ida’s is the shortest of all. Circle Sara’s paintbrush.

2. There is a tree between two houses.
Draw a house that is shorter than the tree
on the left. Draw a house on the right that is taller than the tree.
