Add Three Numbers

You can make a ten to add three numbers. You can use a double to add three numbers.

Look at the ones first.

\[
\begin{array}{c}
4 \\ 8 \\ + 14 \\
\end{array}
\]

Now fill in the blanks.

I see 2, 8, and 4.

\[2 + 8 = \_\_\_\_\_\]

I can make a _______.

Now I can add ______ + 4.

\[10 + 4 = \_\_\_\_\_\]

I made a ten to add the ____________.

Add.

\[
\begin{array}{c}
36 \\
27 \\
+ 6 \\
\end{array}
\]

How did you add the ones here? Make a ten

Use a double
