Time to Five Minutes

Sometimes, you can skip count by 5s to find the minutes after the hour. Start at 12.

Write the time.

1. 2. 3. 4.

Draw the minute hand to show the time.

5. 6. 7. 8.

9. It’s 1:00. Emily skip counts 5 numbers to find the minutes after the hour. This is when she has to be at the dentist. What time does she have to be at the dentist?
