Skip Counting

Skip counting on a hundred chart shows different number patterns.

Use the hundred chart.

1. Count by 5s.
   Color the numbers red.

Follow the pattern.
Write the missing numbers.

2. 30, 40, 50, 60, _____, 80, _____, 100

3. 27, 30, 33, 36, _____, 42, _____, 48

4. Mr. Park has 64 chickens. Count by 4s on the hundred chart. How many numbers do you say?

5. Mr. Park sells 8 chickens. Count back on the hundred chart to find out how many he has left.
