Use a Graph

Use the data in the graph to solve.

1. How many children read?

2. How many children altogether like bike riding and gymnastics?

3. How many more children are in the kids’ club than read?

4. Which activity do children do the least?

Draw or write to explain.

Fill in the □ for the correct answer. NH means Not Here.

5. Justin makes a bar graph. He shows that 9 children like soccer, 4 children like hockey, and 3 children like skating. Which sport has the longest bar?

   hockey  skating  soccer  NH
   □       □       □       □
