

**Slides, Flips, and Turns**

Color the shape that fits. Then circle how you would move the piece to complete the puzzle.

1. **flip**  
   **slide**

2. **slide**  
   **turn**

3. **flip**  
   **slide**

Draw or write to explain.

I can move the triangle that fits into the puzzle without turning it or flipping it. I can just slide it into place.
