**Elapsed Time**

Counting on a clock can help you find how much time has passed.

**A.M.** 12 midnight to 12 noon

**P.M.** 12 noon to 12 midnight

---

**Step 1.** Begin at the start time.

Races start at 10:00 A.M.

---

**Step 2.** Count on to the end time.

Races end at 1:00 P.M.

3 hours pass.

The races last for 3 hours.

---

Write the time.
Then write how long the race lasts.

1. 

   ![Clock](Image)

   

   

   ______ A.M. ______ A.M.

   Race A lasts for ____ hours.

2. 

   ![Clock](Image)

   

   

   ______ P.M. ______ P.M.

   Race B lasts for ____ hours.
