Reading and Writing Numbers

You can use counters to show a number.

\[ \text{six} \quad \text{eight} \]

Use counters to show the number. Draw the counters you use.

1. seven

2. nine

Use counters. Show how many straws. Write the number and the number word.

3. 

4. 

5. 

6. 

Use with text pages 7–9.
