Elapsed Time

Follow these steps to tell how much time has passed (elapsed) between 4:15 P.M. and 6:30 P.M. using a clock.

**Step 1.** Start at 4:15.

**Step 2.** From 4:15, add on hours until you get to 6:00.

4:15 to 6:15 is 2 hours

**Step 3.** From 6:15, add on minutes until you get to 6:30.

The elapsed time is 2 h 15 min.

Tell what time it will be.

1. in 4 hours

2. in 20 minutes

3. in 18 minutes

4. in 5 minutes

5. in 6 hours

6. in 25 minutes
