Many people think that leadership is a valuable experience. What do you think is important about the experience of leadership? Write an essay for your classmates explaining why you think a leadership experience is valuable and giving reasons to support your point of view.

There are many valuable things about being a leader. You get to make things happen when you lead. Lead a fund-raising drive to get an animal shelter. Get the school to buy new band uniforms. Get your neighbors to plan a block party. Whatever you choose, if you are the leader, you make it happen!

Here’s the second reason. No one likes a complainer. Don’t whine. Get some positive changes to happen. So stop complaining. Leaders are doers, not whiners.

Here’s another reason. Leadership is never boring. There is always something to do. You can create your own things to do. So be a leader to escape boredom.

You may think being a leader might be stupid. You wouldn’t get much time to yourself. Maybe, but you should still try to be a leader. Just ask me. I think being a leader is great.
