**How to play:** Make a letter card for each letter used in the Unit 13 Basic Words: one card for b, e, h, i, j, l, n, o, p, s, t, v, y; two cards for c. Give each player a letter card. Give the word list to the caller.

2. Players holding letter cards from the word announced jump up, face the rest of the class, and arrange themselves in the correct order.
