### Section 3 Assessment

#### 1. Vocabulary

- **Antenna**

![Image of an insect with an antenna](image)

#### 2. Where Will the Sow Bug Go?

- ![Image of a sow bug and a sun](image)

#### 3. Testing Wet or Dry

![Image of a sow bug on a log](image)

**Directions:**

1. Read the word *antenna* aloud to students, and have them draw a line from the word to that body part in the picture.
2. Have students draw a line from the pill bug to the place on the log where the bug would go.
3. Have each student show you how to use the given materials to test whether pill bugs like wet or dry places.
