Asia

How do culture, history, geography, people, and government affect communities in Asia?

• What are some of Asia’s geographic features?
• How do people in China use natural resources?
• What were some key events in the history of China?
• What are some traditions of Chinese culture?

Unit Overview

In this unit, your child will learn about
• the location, regions, and geographic features of Asia
• the land and economy of China
• China’s history and the government today
• the people and culture of China

Family Activity

Connect to the Big Idea Ask your child how culture, history, geography, people, and government affect communities in Asia. Read the Unit 3 Big Idea to Go Booklet together. Look at what your child has written and drawn. Discuss how the booklet relates to the Big Idea.
